

CHARTER OF THE AUDIT AND RISK MANAGEMENT COMMITTEE

PURPOSE

The Audit and Risk Management Committee (the “Audit Committee”) of Lomiko Metals Inc. (“LMR” or the “Corporation”) is a committee of directors appointed by the Board of Directors of LMR (the “Board”). The Audit Committee’s mandate is to assist the Board in fulfilling its financial reporting and control duties, overseeing the external auditor’s qualifications, independence and work, and supervising the Corporation’s internal controls over financial reporting and compliance with standards adopted by the Corporation. The Audit Committee is, however, independent of the Board and the Corporation and shall determine its own agenda and activities.

MEETINGS AND REPORTING

The Audit Committee shall report to the Board of Directors at least on a quarterly basis and as appropriate. The Audit Committee chairperson (the “Committee Chair”) will approve the agenda for the Audit Committee’s meetings and any member may suggest items for consideration. Briefing materials will be provided to the Audit Committee as far in advance of meetings as practicable.

COMPOSITION

The Audit Committee will be comprised of at least three directors of the Corporation, who are appointed by and serve at the discretion of the Board (and may be replaced). The Board may appoint a member to fill a vacancy that occurs in the Audit Committee between annual elections of directors. Any member of the Audit Committee may be removed from the Audit Committee by a resolution of the Board. Unless the Committee Chair is appointed by the Board, the members of the Audit Committee may designate a Committee Chair by a majority vote of the members of the Audit Committee.

The majority of the members of the Audit Committee, subject to any exemptions set out in Multilateral Instrument 52-110 *Audit Committees* (“MI 52-110”), will be independent and financially literate. An “independent” director is a director who has no direct or indirect material relationship with the Corporation. A “material relationship” is a relationship which could, in the view of the Board of Directors, be reasonably expected to interfere with the exercise of the director’s independent judgement or a relationship deemed to be a material relationship pursuant to Sections 1.4 and 1.5 of MI 52-110. A “financially literate” director is a director who has the ability to read and understand financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the financial statements of the Corporation.

The Audit Committee will provide its members with annual continuing education opportunities in financial reporting and other areas relevant to the Audit Committee.

Responsibilities of the Audit Committee include, but are not limited to, the undertaking of the following tasks:
