November 5, 2025

Dear Shareholders,

In 2025, we made significant progress in building the Lomiko company for the future, where critical minerals and geopolitical considerations will lead to mining investment. We also encountered some setbacks. We continue to make progress with Lomiko Metals as an innovative and resilient critical minerals developer in Canada, focusing on our flagship natural flake graphite project, La Loutre in Quebec, and further exploring our discovery, Ruisseau. We have also expanded our portfolio to Newfoundland with optioning the Yellow Fox property from Metals Creek, which is prospective in antimony, gold, silver, lead, and zinc.

Grants & La Loutre

We have leveraged the historical funding contribution as the first Canadian company to receive joint non-repayable funding from the Canadian Federal government and the Department of War. Lomiko was awarded a Department of War ("DoD") Technology Investment Agreement ("TIA") grant of US\$8.35 million (approximately CA\$11.4 million) where Lomiko will match the funding over a period of 5 years, for a total agreement with the DoD of US\$16.7 million and this DoD grant provides financing for 50% of all the costs to finish the pre-feasibility study (PFS), baseline studies, metallurgical studies and feasibility study. Lomiko renegotiated the funding contributions so that DoD will fund up to 100% of all the costs related to the PFS, and Lomiko will take on more funding with flow-through activities, such as anode piloting and metallurgical testing.

The DoD funding allowed Lomiko to continue the PFS engineering studies in April with DRA Americas leading the efforts on the plant and infrastructure engineering and supported by Knight-Piesold with the open pit, waste dumps, and tailings design, while Norda Stelo is taking on mine design and scheduling. We anticipate completing the PFS by the end of Q1 2026, pending access to working capital funding.

In addition, the work continued on anode processing, where the permits for the bulk sample extractions were received mid-July, where we anticipate starting the field work in late November after the hunting season. This effort is supported by a non-repayable contribution agreement of CA\$4.9 million from the Critical Mineral Research, Development, and Demonstration (CMRDD) program, administered by Natural Resources Canada, with a total project cost of CA\$6.6 million. The objective of the program is to pilot the proposed graphite upgrading process and convert La Loutre natural flake graphite into battery-grade anode material, providing for 75% of all the costs to finish a 200 metric tonne bulk sample pilot process, namely extraction, flotation, and micronization, spheroidization, purification, and coating of the material that would be used to build anodes. Effectively, those grants support 50% and 75% of the capital required to reach the production decision and are non-dilutive to shareholders. This piloting of graphite from rock to anode requires a careful process to obtain representative samples in a 200 mt sample, with all processing and transformation work occurring off-site.

Total cash received from grant reimbursements \$1.3M as of July 31, 2025, year-end. This funding supported the field activities and working capital needs, minimizing dilution to the shareholders.

Management and the board of directors appreciate the financial support shown by the Federal Government and the Department of War to advance this important long-term and strategic asset for Quebec and Canada.

Communities

We have continued our efforts in the last year to provide information to citizens, respond to questions and provide a transparent portal of research and study summaries on our website. We appreciate all the supportive emails received from citizens. We also appreciate all the local business people, as well as those across Quebec, who work for Lomiko Metals to advance the studies on La Loutre - and our collective understanding of natural flake graphite in Southern Quebec.

The challenge of this project, which is reflective of changes in our national agenda regarding critical minerals development and re-industrialization, is negative feedback from local community members with NIMBY (not in my backyard) concerns at the forefront. In the summer of 2025, local communities organized a survey to determine interest in this project, and Lomiko was not involved in it, nor were the Provincial or Federal governments. This impacted our share price; however, it does not affect our processes for moving this project forward as a responsible developer of choice in Quebec. We will continue to follow all the permitting guidelines set out by the Quebec government.

We continue our work and will continue to collaborate with our consultants to provide accurate information, respectful of community concerns and responsive to timelines. The most important turning point will be PFS, where many answers will be provided for local communities to review. We also continue to work with local businesses and contractors who will undertake the work on the bulk sample for which a permit was received in the summer of 2025.

China Tightens Graphite Export Controls, Escalating Global Supply Chain Concerns

Under Announcement No. 58 (2025), effective November 8, exports of graphitisation, coating, and granulation systems will require official approval from China's Ministry of Commerce. China has expanded its graphite export licensing regime to include artificial and mixed anode materials, as well as the equipment and technologies used in their production.

While this move aligns with previous actions, it marks a notable escalation beyond the 2023 restrictions on natural and synthetic graphite. China is reinforcing its dominant position across the entire anode materials supply chain—a strategic lever in the global energy transition.

Urgency to Act

With restrictions taking effect on November 8, 2025, the time to act is now. These developments underscore the critical importance of accelerating domestic investment in the full graphite supply chain—from mining and upgrading natural graphite to producing high-quality anode materials.

This shift also presents a rare opportunity for capital markets to support the development of industries that previously didn't exist at scale—such as anode and cathode manufacturing for EVs, battery energy storage systems, and consumer electronics.

Lomiko Metals: Positioned to Lead

Lomiko Metals' flagship La Loutre Graphite Project is strategically positioned to meet growing demand and as an important geopolitical asset for North America. Classified as the 7th largest graphite deposit in the world based on the Mining.com, it hosts 3 million tonnes of in-situ graphite (Measured and Indicated), supported by excellent metallurgical performance and a favorable flake size distribution—ideal for battery applications.

- ✓ Battery testing results meet and exceed industry standards
- ✓ Currently in pre-feasibility study, with expected completion in Q1 2026, pending capital funding

Why Lomiko Matters Now

- Strategic Location: Located in Quebec, with access to established infrastructure
- Secure & ESG-Compliant Supply: In a jurisdiction known for responsible resource development
- Strong Government Support:
 - ✓ \$8.35M USD from the Department of War
 - ✓ \$4.9M CAD from the Canadian Government

Together, this reduces funding risk and minimizes dilution for investors.

Based on its Preliminary Economic Assessment (2021), Lomiko is positioned to supply enough anode material for approximately 315,000 EVs annually—marking its ambition to be a leading North American producer of graphite and battery-grade anode materials.

Looking Ahead: Ruisseau and Newfoundland Yellow Fox Exploration

In 2025, with access to capital, the Company intends to focus on advancing its position as a graphite developer in Canada, particularly in La Loutre and Ruisseau. Lomiko is also advancing its Ruisseau Project, where graphite grades reach up to 27.0% Cg. Two main mineralized zones extend over 1.5 km and 3.85 km, with a maiden drill program of 38 holes and 2,500 metres now in the permitting phase.

The soil sampling work at Yellow Fox property field program identified several soil anomalies comprised of multiple pathfinder elements (Au, Sb, Ag, Zn, Pb, As, Fe, Mn) exhibiting similar traits to that of the historic soil survey conducted over the Yellow Fox Showing. These new anomalies are trending similarly to the Yellow Fox N-NE.

In addition, Newfoundland has just been named on the Fraser Institute's list of top mining jurisdictions, and with the Company's previous working experience in Newfoundland, we believe it is highly prospective for the future of the Company. Newfoundland & Labrador appears in the list of the top ten most attractive jurisdictions for mining investment. Source: <https://www.fraserinstitute.org/studies/annual-survey-mining-companies-2024>

This program was designed to evaluate prospective regional structures transecting the Yellow Fox property at roughly the same orientation as that of the Beaver Brook Mine and to follow up and expand on a much smaller historic soil sampling survey, which highlighted several small prospective pathfinder soil anomalies in close proximity to the Yellow Fox discovery. A total of 551 soil samples were collected from this current program along 10 lines with a spacing of 250m over an area that historically has not seen much exploration, concentrating on the northern half of the project area.

Assay results from this program highlight the identification of several soil anomalies comprised of multiple pathfinder elements (Au, Sb, Ag, Zn, Pb, As, Fe, Mn) exhibiting similar traits to that of the historic soil survey conducted over the Yellow Fox Showing. These new anomalies are trending roughly North(N)-Northeast(NE) similar to that of the highly prospective regional structures which also trend N-NE. Several high-priority multi-element anomalies with similar geochemical signatures to those of the Yellow Fox Showing are present in close proximity to the main showing.

In July of 2025, a second phase of soil sampling was conducted to further expand on the phase one program. 280 soil samples were collected for Au and ICP analysis. Soil samples were collected to the south and the west of the spring soil sampling program. Assey results further outlined gold-bearing outcrop at 1.3g/t Au and anomalous zones in gold of 1km long, anomalous zones in REEs at 2.5kmx0.4km wide and a number of anomalous zones in antimony, zinc, lead, silver and gold.

In July, the Government of Newfoundland and Labrador's Mineral Incentive Program officially approved Lomiko's application as filed, designating it as a "Critical Minerals as a Primary Exploration Target" project. This prioritization ensures eligibility for CMA and PCMA funding.

We thank our shareholders, consultants, advisors, directors, interested investors, and community members for their support, engagement, and the many questions we receive. We enjoy speaking with you and exchanging ideas, and we appreciate the long-term support that has been demonstrated over the years.

Sincerely,

(Signed)

Notice & Access

If you are a beneficial Shareholder, we are making the Information Circular available online instead of mailing it to you, according to a set of rules developed by the Canadian Securities Administrators called notice-and-access. Notice-and-access is a set of rules that allows issuers to post electronic versions of proxy-related materials online, via SEDAR+ (www.sedarplus.ca) and one other website, rather than mailing paper copies of such materials to Shareholders. Under notice-and-access, Shareholders still receive a proxy form or voting instruction form enabling them to vote at the Meeting. However, instead of paper copies of the Meeting materials, Shareholders receive this notice which contains information on how they may access the Meeting materials online and how to request paper copies of such documents.

You can download and view the Information Circular and other Meeting materials at <https://lomiko.com> or on SEDAR+ at www.sedarplus.ca. Shareholders are reminded to review the Information Circular and other proxy-related materials prior to voting.

If you would prefer to receive a paper copy of the Information Circular, please send an email to Info@Lomiko.com and it will be emailed or mailed to you at no cost. Note that the Company will not mail the proxy form or voting instruction form so please keep the one you received previously. We need to receive your request no later than ten (10) business days before the Meeting if you wish to receive the Information Circular before the Meeting.

PROXIES AND VOTING RIGHTS

Management Solicitation

The solicitation of proxies by management of the Company will be conducted by mail and may be supplemented by telephone or other personal contact to be made without special compensation by the directors, officers and employees of the Company. The Company does not reimburse Shareholders, nominees or agents for costs incurred in obtaining from their principals authorization to execute forms of proxy, except that the Company has requested brokers and nominees who hold stock in their respective names to furnish this proxy material to their customers, and the Company will reimburse such brokers and nominees for their related out of pocket expenses. No solicitation will be made by specially engaged employees or soliciting agents. The cost of solicitation will be borne by the Company.

No person has been authorized to give any information or to make any representation other than as contained in this Circular in connection with the solicitation of proxies. If given or made, such information or representations must not be relied upon as having been authorized by the Company. The delivery of this Circular shall not create, under any circumstances, any implication that there has been no change in the information set forth herein since the date of this Circular. This Circular does not constitute the solicitation of a proxy by anyone in any jurisdiction in which such solicitation is not authorized, or in which the person making such solicitation is not qualified to do so, or to anyone to whom it is unlawful to make such an offer of solicitation.

Appointment of Proxy

Shareholders of the Company may be "Registered Shareholders" or "Beneficial Shareholders". If Shares are registered in the Shareholder's name, they are said to be owned by a "Registered Shareholder". If Shares are registered in the name of an intermediary and not registered in the Shareholder's name, they are said to be owned by a "Beneficial Shareholder". An intermediary is usually a bank, trust company, securities dealer or broker, or a clearing agency in which an intermediary participates. Registered Shareholders are entitled to vote at the Meeting. A Shareholder is entitled to one vote for each Share that such Shareholder holds on the record date of November 5, 2025 (the "Record Date") on the resolutions to be voted upon at the Meeting, and any other matter to come before the Meeting.

The persons named as proxyholders (the "Designated Persons") in the enclosed form of proxy are directors and/or officers of the Company.

A SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON OR COMPANY (WHO NEED NOT BE A SHAREHOLDER) OTHER THAN THE DESIGNATED PERSONS NAMED IN THE ENCLOSED FORM OF PROXY TO ATTEND AND ACT FOR OR ON BEHALF OF THAT SHAREHOLDER AT THE MEETING.

A SHAREHOLDER MAY EXERCISE THIS RIGHT BY STRIKING OUT THE PRINTED NAMES OF THE DESIGNATED PERSONS AND INSERTING THE NAME OF SUCH OTHER PERSON AND, IF DESIRED, AN ALTERNATE TO SUCH PERSON, IN THE BLANK SPACE PROVIDED ON THE FORM OF PROXY. SUCH SHAREHOLDER SHOULD NOTIFY THE NOMINEE OF THE APPOINTMENT, OBTAIN THE NOMINEE'S CONSENT TO ACT AS PROXY AND SHOULD PROVIDE INSTRUCTION TO THE NOMINEE ON HOW THE SHAREHOLDER'S SHARES SHOULD BE VOTED. THE NOMINEE SHOULD BRING PERSONAL IDENTIFICATION TO THE MEETING.

In order to be voted, the completed form of proxy must be received by the Company's registrar and transfer agent, Olympia Trust Company, Suite 1900, 925 West Georgia Street, Vancouver, BC V6C 3L2, by fax to 403-668-8307, by email to proxy@olympiustrust.com OR by via internet at <https://css.olympiustrust.com/pxlogin> and enter the 12-digit control number shown on reverse at least 48 hours (excluding Saturdays, Sundays and holidays recognized in the Province of British Columbia) prior to the scheduled time of the Meeting, or any adjournment or postponement thereof.

A proxy may not be valid unless it is dated and signed by the Shareholder who is giving it or by that Shareholder's attorney-in-fact duly authorized by that Shareholder in writing or, in the case of a corporation, dated and executed by a duly authorized officer or attorney-in-fact for the Company. If a form of proxy is executed by an attorney-in-fact for an individual Shareholder or joint Shareholders, or by an officer or attorney-in-fact for a corporate Shareholder, the instrument so empowering the officer or attorney-in-fact, as the case may be, or a notarial certified copy thereof, must accompany the form of proxy.

Revocation of Proxies

A Shareholder who has given a proxy may revoke it at any time before it is exercised by an instrument in writing: (a) executed by that Shareholder or by that Shareholder's attorney-in-fact, authorized in writing, or, where the Shareholder is a corporation, by a duly authorized officer of, or attorney-in-fact for, the Company; and (b) delivered either: (i) to the Company at the address set forth above, at any time up to and including the last business day preceding the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or (ii) to the Chairman of the Meeting prior to the vote on matters covered by the proxy on the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or (iii) in any other manner provided by law.

Also, a proxy will automatically be revoked by either: (i) attendance at the Meeting and participation in a poll (ballot) by a Shareholder, or (ii) submission of a subsequent proxy in accordance with the foregoing procedures. A revocation of a proxy does not affect any matter on which a vote has been taken prior to any such revocation.

Voting of Shares and Proxies and Exercise of Discretion by Designated Persons

A Shareholder may indicate the manner in which the Designated Persons are to vote with respect to a matter to be voted upon at the Meeting by marking the appropriate space. If the instructions as to voting indicated in the proxy are certain, the Shares represented by the proxy will be voted or withheld from voting in accordance with the instructions given in the proxy. If the Shareholder specifies a choice in the proxy with respect to a matter to be acted upon, then the Shares represented will be voted or withheld from the vote on that matter accordingly. **The Shares represented by a proxy will be voted or withheld from voting in accordance with the instructions of the Shareholder on any ballot that may be called for and if the Shareholder specifies a choice with respect to any matter to be acted upon, the Shares will be voted accordingly.**

If no choice is specified in the proxy with respect to a matter to be acted upon, the proxy confers discretionary authority with respect to that matter upon the Designated Persons named in the form of proxy. It is intended that the Designated Persons will vote the Shares represented by the proxy in favor of each matter identified in the proxy AND for the nominees of the Company's board of directors (the "Board") for directors and auditor.

The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to other matters which may properly come before the Meeting, including any amendments or variations to any matters identified in the Notice, and with respect to other matters which may properly come before the Meeting. At the date of this Circular, management of the Company is not aware of any such amendments, variations, or other matters to come before the Meeting.

In the case of abstentions from, or withholding of, the voting of the Shares on any matter, the Shares that are the subject of the abstention or withholding will be counted for determination of a quorum but will not be counted as affirmative or negative on the matter to be voted upon.

ADVICE TO BENEFICIAL SHAREHOLDERS

The information set out in this section is of significant importance to those Shareholders who do not hold Shares in their own name. Beneficial Shareholders should note that only proxies deposited by Shareholders whose names appear on the records of the Company as the registered holders of Shares can be recognized and acted upon at the Meeting. If Shares are listed in an account statement provided by a broker, then in almost all cases those Shares will not be registered in the Beneficial Shareholder's name on the records of the Company. Such Shares will more likely be registered under the names of the Beneficial Shareholder's broker or an agent of that broker. In the United States, the vast majority of such Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms). **Beneficial Shareholders should ensure that instructions respecting the voting of their Shares are communicated to the appropriate person well in advance of the Meeting.**

The Company does not have access to the names of Beneficial Shareholders. Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of Shareholders' meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Shares are voted at the Meeting. The form of proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is similar to the form of proxy provided to Registered Shareholders by the Company. However, its purpose is limited to instructing the Registered Shareholder (the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("Broadridge") in the United States and in Canada. Broadridge typically prepares a special voting instruction form, mails this form to the Beneficial Shareholders and asks for appropriate instructions regarding the voting of Shares to be voted at the Meeting. Beneficial Shareholders are requested to complete and return the voting instructions to Broadridge by mail or facsimile. Alternatively, Beneficial Shareholders can call a toll-free number and access Broadridge's dedicated voting website (each as noted on the voting instruction form) to deliver their voting instructions and to vote the Shares held by them. Broadridge then tabulates the results of all instructions received and

provides appropriate instructions respecting the voting of Shares to be represented at the Meeting. **A Beneficial Shareholder receiving a Broadridge voting instruction form cannot use that form as a proxy to vote Shares directly at the Meeting – the voting instruction form must be returned to Broadridge well in advance of the Meeting in order to have its Shares voted at the Meeting.**

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Shares registered in the name of their broker (or agent of the broker), a Beneficial Shareholder may attend the Meeting as proxyholder for the Registered Shareholder and vote the Shares in that capacity. Beneficial Shareholders who wish to attend at the Meeting and indirectly vote their Shares as proxyholder for the Registered Shareholder should enter their own names in the blank space on the instrument of proxy provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting.

Alternatively, a Beneficial Shareholder may request in writing that their broker send to the Beneficial Shareholder a legal proxy which would enable the Beneficial Shareholder to attend the Meeting and vote their Shares.

All references to Shareholders in this Circular are to Registered Shareholders, unless specifically stated otherwise.

NOTICE AND ACCESS

The Company has elected to use the “notice and access” provisions under National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* (the “Notice and Access Provisions”) for the Meeting. The Notice and Access Provisions are a set of rules developed by the Canadian Securities Administrators intended to reduce the volume of materials which are mailed to shareholders by allowing a reporting issuer to post proxy-related materials in respect of a meeting of its shareholders online.

The Company will not use procedures known as “stratification” in relation to the use of the Notice and Access Provisions, meaning that both registered shareholders and Beneficial Shareholders will be mailed notification of availability of Meeting materials directing them to those websites where they can access the Information Circular and other relevant information (the “Notice and Access Notification”). If you receive the Notice and Access Notification and would like to receive a paper copy of the Information Circular and the financial statements (the “Financial Statements”) please follow the instructions printed on the Notice and Access Notification and the materials will be mailed to you at the Company’s expense.

The Company anticipates the notice and access will directly benefit the Company through substantial reductions in postage and printing costs. The Company believes that notice-and-access is more environmentally responsible to the extent that it reduces the large volume of paper documents generated by printing proxy-related materials.

Shareholders with questions about notice and access can call Olympia Trust Company toll-free at 1-866-668-8379.

The Meeting materials have been posted on the Company’s website at <https://lomiko.com/> and on the System for Electronic Document Analysis and Retrieval (“SEDAR+”) under the Company’s profile at www.sedarplus.ca. In order to receive a paper copy of the Information Circular and Financial Statements, requests by shareholders may be made up to one year from the date the Information Circular is posted on the Company’s website by email to Olympia Trust Company at cssnoticeandaccess@olympiatrust.com or by calling toll-free at 1-866-668-8379.

To ensure that a paper copy of the Information Circular can be delivered to a requesting shareholder in time for such shareholder to receive and review the Information Circular and return the completed instrument of proxy or voting instruction form prior to the deadline of at least 48 hours before the time of the Meeting or any adjournment(s) or postponements(s) thereof, excluding Saturdays, Sundays and holidays as set out under the heading “Return of Proxy” in this Information Circular, it is strongly suggested that a shareholder’s request is received no later than **December 1, 2025**. The Information Circular will be sent to such shareholders within three business days of their request if such requests are made before the Meeting. Following the Meeting, the Information Circular will be sent to such shareholders within ten days of their request.

Compensation Discussion and Analysis

Oversight and description of Director and NEO Compensation

Compensation plays an important role in achieving short and long-term business objectives that ultimately drive business success. The Company's compensation philosophy is to foster entrepreneurship at all levels of the organization through, among other things, the granting of RSUs, PSUs and stock options, which will be a significant component of executive compensation. This approach is based on the assumption that the performance of the Common Share price over the long term is an important indicator of long-term performance.

The Company's compensation philosophy is based on the following fundamental principles:

Compensation programs align with Shareholder interests – the Company aligns the goals of executives with maximizing long-term Shareholder value;

Performance sensitive – compensation for executive officers should be linked to operating and market performance of the Company and fluctuate with the performance; and

Offer market competitive compensation to attract and retain talent – the compensation program should provide market competitive pay in terms of value and structure in order to retain existing employees who are performing according to their objectives and to attract new individuals of the highest caliber.

The objectives of the compensation program in compensating all NEOs is based on the above-mentioned compensation philosophy and is as follows:

- to attract and retain highly qualified executive officers;
- to align the interests of executive officers with Shareholders' interests and with the execution of the Company's business strategy;
- to evaluate executive performance on the basis of key measurements that correlate to long-term Shareholder value; and
- to tie compensation directly to those measurements and reward based on achieving and exceeding predetermined objectives.

The Company believes that transparent, objective and easily verified corporate goals, combined with individual performance goals, play an important role in creating and maintaining an effective compensation strategy for the NEOs. The Company's objective is to establish benchmarks and targets for its NEOs that will enhance Shareholder value if achieved.

Aggregate compensation for each NEO is designed to be competitive. The compensation, corporate governance and nomination committee of the Board (the "Compensation, Corporate Governance and Nomination Committee") will review from time to time the compensation practices of similarly situated companies when considering the Company's executive compensation practices. The Compensation, Corporate Governance and Nomination Committee reviews each element of compensation for market competitiveness, and although it may weigh a particular element more heavily based on the NEO's role within the Company, it is primarily focused on remaining competitive in the market with respect to total compensation.

From time to time, on an ad hoc basis, the Compensation, Corporate Governance and Nomination Committee will review data related to compensation levels and programs of various companies that are similar in size to the Company and operate within mining industries or other emerging sectors. The Compensation, Corporate Governance and Nomination Committee also relies on the experience of its members as officers and/or directors at other companies in similar lines of business as the Company in assessing compensation levels. These other companies are identified in this Information Circular under the heading "Corporate Governance Disclosure - Participation of Directors in Other Reporting Issuers".

Compensation Governance

The Compensation, Corporate Governance and Nomination Committee is responsible for ensuring that the Company has in place an appropriate plan for executive compensation and for making recommendations to the Board with respect to the compensation of the Company's executive officers. The Compensation, Corporate Governance and

Nomination Committee will ensure that total compensation paid to all NEOs is fair, reasonable, and consistent with the Company's compensation philosophy.

From time to time the Compensation, Corporate Governance and Nomination Committee will make, and the Board reviews and may approve, recommendations regarding compensation to executive officers and directors. A combination of fixed and variable compensation is used to motivate executive officers to achieve overall corporate goals. The two basic components of the Company's executive officer compensation program are:

- base salary;
- annual incentive (bonus) payments; and
- long-term equity incentive compensation.

Base salaries are paid in cash, and constitute the fixed portion of the total compensation paid to executive officers. Short and long term incentive compensation in the form of stock options, Restricted Share Units (RSUs), and Performance Share Units (PSUs) comprise the remainder, and represent compensation that is "at risk" and thus may or may not be paid to the respective executive officer depending on: (i) whether the executive officer is able to meet or exceed his or her applicable performance targets; and, (ii) market performance of the Common Shares. To date, no specific formula has been developed to assign a specific weighting to each of these components. Instead, the Board will consider each performance target and the Company's performance and assigns compensation based on this assessment and the recommendations of the Compensation, Corporate Governance and Nomination Committee.

Base Salary

The Compensation, Corporate Governance and Nomination Committee and the Board will approve the salary ranges for the NEOs. The base salary review for each NEO is based on assessment of factors such as current competitive market conditions, compensation levels and practices of similarly situated companies and particular skills, such as leadership ability and management effectiveness, experience, responsibility and proven or expected performance of the particular individual. The Company may consider comparative data for the Company's peer group, which are accumulated from a number of external sources including independent consultants. The Company's policy for determining salary for executive officers will be consistent with the administration of salaries for all other employees.

Short term incentive plan

The short-term incentive plan is based on various company-wide achievements. Performance goals for annual incentive payments include achieving corporate targets and objectives, as well as general performance in day-to-day corporate activities.

The Board approves target short-term annual incentive amounts for NEO's at the beginning of each financial year. The Compensation, Corporate Governance and Nomination Committee determines target amounts based on a number of factors, including comparable compensation of similar companies. Funding of the annual incentive awards is capped at the Company level and the distribution of funds or shares to the executive officers will be at the discretion of the Compensation, Corporate Governance and Nomination Committee. Each NEO may receive partial or full payment of the target annual incentive amount set by the Compensation, Corporate Governance and Nomination Committee at the beginning of each financial year, depending on the number of the predetermined targets met, and the assessment of such NEO's overall performance by the Compensation, Corporate Governance and Nomination Committee and the Board.

In order to develop a recommendation to the Board regarding annual incentive payments, the Compensation, Corporate Governance and Nomination Committee assesses NEO performance subjectively, considering each NEO's success in achieving objectives, contributions to the achievement of the Company's goals, and contributions to meeting the needs of the Company that arise on a day-to-day basis. If the Compensation, Corporate Governance and Nomination Committee cannot unanimously agree on a recommendation in respect of an NEO's annual incentive payment, the matter is referred to the full Board for decision.

The Board relies heavily on the recommendations of the Compensation, Corporate Governance and Nomination Committee in granting annual incentives. However, the Board reserves ultimate discretion in determining whether each NEO has met his or her targets, and has the right make positive or negative adjustments to any annual incentive

payment recommended by the Compensation, Corporate Governance and Nomination Committee that it deems appropriate.

During the financial year end 2025, no cash bonus were awarded.

Omnibus Incentive Plan – Long Term Incentive Granting Process

Effective 2023, the Board adopted the 2023 Omnibus Plan (the “Omnibus Plan”) which was re-approved by the disinterested shareholders of the Company at the annual and special meeting of shareholders of the Company held on December 19, 2024. The Board determined it was in the best interests of the Company to adopt the Omnibus Plan, in order to provide the Board with the ability and flexibility to make broader and different forms of equity rewards as part of its need to retain a competitive compensation structure for its directors, officers, executives, employees, consultants and service providers.

Under the Omnibus Plan, the Board is authorized to grant Options, Restricted Share Units (“RSUs”), Performance Share Units (“PSUs”) and Deferred Share Units (“DSUs”) to directors, officers, employees, management company employees and consultants of the Company and/or its subsidiaries (“Eligible Participants”), and when such Eligible Participants are granted Awards, the “Participants”) in order to attract, retain and motivate such persons as individuals whose skills, performance and loyalty to the objectives and interests of the Company are necessary to the Company's success, to incentivize them to continue their services for the Company, and to align their interests with those of the Company.

The form of the Omnibus Plan may be amended in order to satisfy the requirements or requests of any regulatory authorities or stock exchange without further approval of the shareholders of the Company.

Number of Common Shares Reserved

The Omnibus Plan is a “rolling” stock plan, as such term is defined in Policy 4.4 – *Incentive Stock Options* of the TSXV, permitting the issuance of (i) Stock Options of up to ten (10%) percent of the issued and outstanding Common Shares and (ii) RSUs, DSUs and PSUs of up to 4,351,635 in respect of awards granted.

Stock Options

Participants (as such term is defined in the Omnibus Plan) are eligible to receive grants of Stock Options to acquire shares of the Company at the time of employment or contract, if applicable, and thereafter as determined by the Board.

As at July 31, 2025, there were 2,143,333 Stock Options outstanding.

Restricted Share Units

Under the Omnibus Plan, participants are eligible to receive grants of RSUs, entitling the holder to receive one Share for each RSU, subject to restrictions as the Board may, in its sole discretion, establish in the applicable award agreement. The Board believes the granting of RSUs creates long-term incentive, a sense of ownership and an alignment of the recipients’ interests with those of the Shareholders. The granting of RSUs is intended to reward those Employees and Directors who are responsible for the management and growth of the Company and to encourage such executives to develop a long-term vision for the Company to operate in a manner to maximize Shareholder value. By using vesting periods for RSUs in addition to other restrictions, this compensation element is also designed to support long term retention of valuable Employees and Directors as well as provide an incentive for the achievement of specific milestones, if applicable.

During the year ended July 31, 2025, 1,352,592 RSU’s were outstanding.

Performance Share Units

Under the Omnibus Plan, participants are eligible to receive grants of PSUs, entitling the holder to receive one Share for each PSU, subject to the achievement or attainment of specific performance criteria (“Performance Criteria”) within a specific period (“Performance Cycle”) and subject to board discretion. The number of PSUs and the Performance Criteria which must be satisfied in order for the PSUs to vest and the Performance Cycle in respect of such PSUs shall be specified in the applicable award agreement. The Board believes the granting of the PSUs

incentivizes the attainment of specific goals which support the overall strategies of the Company and creates a sense of ownership and an alignment of the recipients' interests with those of the Shareholders. The granting of PSUs is intended to reward those executives who are responsible for the management and growth of the Company and to encourage such executives to develop a long-term vision for the Company to operate in a manner to maximize Shareholder value. By using vesting periods for PSUs in addition to other restrictions, this compensation element is also designed to support long-term retention of valuable employees as well as provide an incentive for the achievement of specific milestones, if applicable.

As at July 31, 2025, there was Zero (0) PSUs outstanding.

Deferred Share Units

Under the Omnibus Plan, Directors are eligible to receive grants of DSUs. Each holder of a DSU is entitled to receive one Common Share for each DSU. The Board believes the granting of DSUs creates long-term incentive, a sense of ownership and an alignment of the recipients' interests with those of the Shareholders. The granting of DSUs is intended to reward directors who are responsible for oversight of the management and growth of the Company and to encourage such directors to maintain a long-term vision for the Company to operate in a manner to maximize Shareholder value.

As at July 31, 2025, 1,269,841 DSUs were outstanding.

Vesting

- All RSUs will vest and become payable by the issuance of Shares at the end of the Restriction Period subject to performance criteria.
- All PSUs will vest and become payable to the extent that the Performance Criteria set forth in the Award Agreement are satisfied for the Performance Cycle
- Each Participant shall be entitled to receive, after the effective date that the Participant ceases to be an Eligible Person for any reason or any other vesting period as provided in the Award Agreement, as the case may be, that number of Shares equal to the number of DSUs credited to the Participant's Account.
- The Board shall, in its sole discretion, determine in the grant letter any and all conditions to the vesting of any Stock Options to a Participant.

Transferability

Except as permitted by the Board, and to the extent that certain rights may pass to a beneficiary or legal representative upon death of a Participant by will or as required by law, no assignment or transfer of Awards, whether voluntary, involuntary, by operation of law or otherwise, vests any interest or right in such Awards or under the Omnibus Plan whatsoever in any assignee or transferee and immediately upon any assignment or transfer, or any attempt to make the same, such Awards will terminate and be of no further force or effect.

Administration

The Omnibus Plan is administered by the Board.

Amendment

The Board may at any time or from time to time, in its sole and absolute discretion, amend, suspend, terminate or discontinue the Omnibus Plan and may amend the terms and conditions of any Awards granted hereunder, subject to (a) any required approval of any applicable regulatory authority or the TSXV, and (b) any approval of disinterested shareholders of the Company as required by the rules of the TSXV or applicable law, provided that disinterested shareholder approval shall not be required for the following amendments and the Board may make any changes which may include but are not limited to: (i) making any amendments to the general vesting provisions of each Award; (ii) making any amendments to the provisions of the Omnibus Plan regarding the termination of employment or services; (iii) making any amendments to add covenants of the Company for the protection of Participants, as the case may be, provided that the Board shall be of the good faith opinion that such additions will not be prejudicial to the rights or interests of the Participants, as the case may be; (iv) making any amendments not inconsistent with the Omnibus Plan

as may be necessary or desirable with respect to matters or questions which, in the good faith opinion of the Board, having in mind the best interests of the Participants, it may be expedient to make, including amendments that are desirable as a result of changes in law in any jurisdiction where a Participant resides, provided that the Board shall be of the opinion that such amendments and modifications will not be prejudicial to the interests of the Participants and Directors; or (v) making such changes or corrections which, on the advice of counsel to the Company, are required for the purpose of curing or correcting any ambiguity or defect or inconsistent provision or clerical omission or mistake or manifest error, provided that the Board shall be of the opinion that such changes or corrections will not be prejudicial to the rights and interests of the Participants.

CORPORATE GOVERNANCE DISCLOSURE

National Policy 58-201 – Corporate Governance Guidelines of the Canadian Securities Administrators sets out a series of guidelines for effective corporate governance (the “Guidelines”). The Guidelines address matters such as the constitution and independence of corporate boards, the functions to be performed by boards and their committees and the effectiveness and education of board members. National Instrument 58-101 – *Disclosure of Corporate Governance Practices* (“NI 58- 101”) requires the disclosure by each listed corporation of its approach to corporate governance with reference to the Guidelines as it is recognized that the unique characteristics of individual corporations will result in varying degrees of compliance.

Set out below is a description of the Company's approach to corporate governance in relation to the Guidelines.

Board of Directors

NI 58-101 defines an “independent director” as a director who has no direct or indirect material relationship with the Company. A “material relationship” is in turn defined as a relationship which could, in the view of the Board, be reasonably expected to interfere with such member's independent judgment.

The Board is currently comprised of five (5) members, three (3) of whom the Board has determined to be “independent directors” within the meaning of NI 58-101. Dominique Dionne, Lee Arden Lewis and Mary Juetten are considered independent directors within the meaning of NI 58-101 since they are each independent of management and free from any material relationship with the Company. The basis for this determination is that, since the date of incorporation of the Corporation, none of the independent directors have worked for the Company, received remuneration from the Company or had material contracts with or material interests in the Company which could interfere with their ability to act with a view to the best interests of the Company. Each of Gordana Slepcev and Belinda Labatte are not considered independent directors because of their relationship as an officer of the Company.

The Board functions independently of management. When appropriate, the Board and the Audit Committee may meet in the absence of members of management, or the independent directors may hold in camera sessions at which neither the executive directors nor the officers of the Company are in attendance. The Compensation, Corporate Governance and Nominating Committee is also composed entirely of independent directors who hold meetings from time to time and make recommendations to the Board on matters pertaining to their mandate.

The Board functions independently of management. To enhance its ability to act independent of management, the Board may in the future meet in the absence of members of management or may excuse such persons from all or a portion of any meeting where an actual or potential conflict of interest arises or where the Board otherwise determines is appropriate.

The Board has adopted a written mandate (Charter of the Board of Directors), a copy of which is available on the Company's website at www.Lomiko.com and under the Company's SEDAR+ profile at www.sedarplus.ca. The Board has not adopted written position descriptions for the Chair of the Board or the committee chairs on the basis that the roles are well understood by all of the directors. The Board has also not adopted a written position description for the Chief Executive Officer on the same basis; however, the Board has developed corporate goals and objectives for the Chief Executive Officer by setting out key responsibilities.

Directorships

Participation of Nominees in Other Reporting Issuers

Certain directors and proposed directors of the Company are also current directors of other reporting issuers (or equivalent) in a jurisdiction, or a foreign jurisdiction as follows:

Name of Nominee	Name of Other Reporting Issuer
Mary Juetten	GreenLight Metals Inc.

Orientation and Continuing Education

While the Company currently has no formal orientation and education program for new Board members, it is expected that sufficient information (such as recent financial statements, technical reports and various other operating, property and budget reports) will be provided to all new Board members to ensure that new directors are familiarized with the Company's business and the procedures of the Board. In addition, new directors will be encouraged to visit and meet with management on a regular basis and each new director receives a copy of the Company's Corporate Governance policies, to familiarize them with the Company's rules and procedures. The Company will also encourage continuing education of its directors and officers where appropriate in order to ensure that they have the necessary skills and knowledge to meet their respective obligations to the Company. The Board's continuing education will also consist of correspondence with the Company's legal counsel to remain up to date with developments in relevant corporate and securities law matters.

Ethical Business Conduct

The Board has adopted a written Code of Business Conduct and Ethics to encourage and promote a culture of ethical business conduct amongst the directors, officers, employees and consultants of the Company. Copies of the Code of Business Conduct and Ethics are available upon written request from the Chief Financial Officer of the Company. The Board is responsible for ensuring compliance with the Code of Business Conduct and Ethics. There have been no departures therefrom since its adoption.

In addition to the Company's Code of Business Conduct and Ethics, the Board also relies on director adherence to the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest will ensure that the Board operates independently of management and in the best interests of the Company.

Under corporate legislation, a director is required to act honestly and in good faith with a view to the best interests of the Company and to exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances. In addition, as some of the directors and proposed directors of the Company also serve as directors and officers of other companies engaged in similar business activities, directors must comply with the conflict of interest provisions of the *Business Corporations Act* (British Columbia), as well as the relevant securities regulatory instruments, in order to ensure that directors exercise independent judgment in considering transactions and agreements in respect of which a director or officer has a material interest.

Any interested director will be required to declare the nature and extent of his or her interest and will not be entitled to vote at meetings of directors at which matters that give rise to such a conflict of interest are considered.

A copy of the Company's Code of Business Conduct and Ethics is available on the Company's website at <https://Lomiko.com> and filed under the Company's SEDAR+ profile at www.sedarplus.ca. The Company believes that it has adopted corporate governance procedures and policies which encourage ethical behavior by directors, officers and employees.

Board Committees

The Board has three standing committees: (1) Audit and Risk Management Committee; (2) Compensation, Corporate Governance and Nominating Committee; and (3) Environmental, Social and Governance Committee. The members of these committees are in this Circular under the heading “Audit Committee” above, and under the heading “Compensation, Corporate Governance and Nominating Committee” and “Environmental, Social and Governance Committee” below. The Board has adopted the charter of the Audit and Risk Management Committee, which is attached as Schedule “A” to this Circular. A copy of the charter for the Compensation, Corporate Governance and Nominating Committee and Environmental, Social and Governance Committee is available on the Company’s website at www.Lomiko.com and under the Company’s SEDAR+ profile at www.sedarplus.ca.

Compensation, Corporate Governance and Nominating Committee

Responsibility for identifying new candidates to join the Board belongs to the Board as a whole. The Board encourages all directors to participate in the process of identifying and recruiting new candidates. The Compensation, Corporate Governance Committee has the responsibility of making recommendations to the Board with respect to the new nominees and for assessing directors on an on-going basis. While there are no specific criteria for Board membership, the Company will seek to attract and retain directors with business knowledge and a particular expertise in mining or other areas of specialized knowledge (such as finance) which will assist in guiding the officers of the Company. The members of the Compensation, Corporate Governance and Nominating Committee are currently Dominique Dionne and Mary Juetten and who are all independent directors within the meaning of NI 58-101.

The Compensation, Corporate Governance and Nominating is responsible for assisting the Company in determining compensation for senior management of the Company as well as reviewing the adequacy and form of the directors’ compensation. The Compensation, Corporate Governance and Nominating Committee is expected to annually review the goals and objectives of the Company’s CEO for the upcoming year and to perform an appraisal of the Company’s CFO’s performance for the past year. The Compensation, Corporate Governance and Nominating Committee will also administer and make recommendations regarding the operation of the Company’s incentive plans.

The Compensation, Corporate Governance and Nominating Committee reviews, on an annual basis, the adequacy and form of compensation of directors and officers and will ensure that the levels of compensation of the Board reflect the responsibilities, time commitment and risks involved in being an effective director.

Safety and Health Policy

Ms. Gordana Slepcev, the President and Chief Executive Officer has the overall responsibility for Health and Safety at a site and will measure safety performance in terms of near misses, lost time injuries (“LTIs”) and medically treated injuries (“MTIs”). Within the structure of the Company, each manager and reporting superintendent is accountable for implementing this policy in his or her area of responsibility and will institute a process, at least weekly, in which management identifies near misses, LTIs and MTIs, their root causes and corrective measures. Safety performance is reviewed weekly with the executive team. The Chief Operating Officer is responsible to develop and monitor Occupational Health and Safety (“OH&S”) objectives, targets, and performance measures, and ensure that OH&S objectives and targets are included in contracts of employment.

Consistent with the Company’s commitment to Safety, all operations will:

- Provide the facilities, equipment, tools, procedures, safety programs and training for employees to work safely.
- Provide and monitor arrangements for the safe use, handling, storage and transport of equipment and materials.
- Practice continuous improvement in occupational safety and health performance utilising best practice procedures and taking into account evolving knowledge and technology.
- Comply with all laws and standards established by appropriate federal, provincial, regional and local governments, commission and agencies in the jurisdictions within which it operates respecting the safety and health of our workers.

- Manage risk through the identification, elimination, monitoring and control of risk hazards, and implementing procedures accordingly, while reviewing performance.
- Clearly define, communicate, and consult with employees — including employees of contractors, consultants, and suppliers — and where appropriate, involve them in the development of practices and procedures aimed at the improvement of occupational health and safety performance.
- Ensure all employees, including employees of contractors, consultants, and suppliers, are fully aware of and trained in their responsibilities to take reasonable care and to ensure their own health and safety at work and avoid adversely affecting the health or safety of others through any act or omission at work.
- Cooperate with government and the community stakeholders on occupational health and safety issues and contribute to the development of relevant occupational health and safety policy, legislation, standards, and research, when needed.
- Ensure that all the visitors to the site receive a safety briefing program.

Audit Committee

The Company has established an Audit Committee comprised of a majority of directors who are not executive officers, employees or control persons of the Company or any of its affiliates, and who are considered to be financially literate in accordance with applicable securities laws. The Audit and Risk Management Committee Charter is attached as Schedule “A” to this Circular. Refer to “Audit Committee”. A copy of Audit and Risk Management Committee Charter is also available on the Company’s website at www.Lomiko.com and under the Company’s SEDAR+ profile at www.sedarplus.ca.

Whistle Blowing Policy

The Company has established a Whistleblower Policy that allows employees and others to report any violations or concerns regarding the policy confidentially and without fear of reprisal for anyone acting in good faith. Concerns can be reported anonymously to the internal auditor, who will bring the reports to the attention of the Audit Committee for investigation and response, or through our independent whistleblower hotline (online or by phone) which is managed by a third party and forwards any reports to the internal auditor for follow-up.

Other Board Committees

The Board has no committees other than the (1) Audit and Risk Management Committee; (2) Compensation, Corporate Governance and Nominating Committee; and (3) Environmental, Social and Governance Committee. The Board may establish additional committees depending on the needs of the Company.

Assessment

The Board does not consider that formal assessments would be useful at this stage of the Company’s development. The Board conducts informal annual assessments of the Board’s effectiveness, the individual Directors and each of its committees. To assist in its review, the Board conducts informal surveys of its Directors.

Board Renewal & Diversity

The Company recognizes the benefits of promoting diversity among our employees, management team and its Board of Directors to enhance organizational strength, problem solving ability and opportunity for innovation.

The Company is working diligently to put programs in place to improve its representation and retention of women and other underrepresented groups. On February 24, 2022 the Company adopted a written corporate diversity policy (the “Diversity Policy”) which sets out the Company’s objectives for shaping its workforce and management. In addition, management will periodically review the Company’s recruitment and selection practices at all levels to ensure they are appropriately structured so that a diverse range of candidates are considered and that there are no conscious or unconscious biases that might discriminate against certain candidates. Management will lead the Diversity Policy by regarding it as a key business issue and an essential part of the Company’s daily business activities. Furthermore,

management will annually report to the Board on the number and proportion, in percentage terms, of women on the Board and in the executive and management teams of the Company and its subsidiaries. The Company will conduct regular reviews of its workforce diversity and take steps to ensure that the diversity and inclusion objectives set out in the Diversity Policy are met.

The Company's senior management and Board have varying backgrounds and expertise and were selected on the belief that the Company and its stakeholders would benefit from such a broad range of talent and cumulative experience.

The Company has not adopted term limits or other mechanisms of Board renewal as it takes the view that they may result in directors who have accumulated valuable industry experience being forced to leave their position arbitrarily. The Company believes that directors should be assessed based on their ability to continue to make a meaningful contribution to the Company.

As of the date of this Circular, all of the Company's five directors (100%) and three of the Company's executive officers (100%) are women.

**SCHEDULE “A”
CHARTER OF THE AUDIT COMMITTEE
PURPOSE**

The Audit Committee (the “Audit Committee”) of Lomiko Metals Inc. (“LMR” or the “Corporation”) is a committee of directors appointed by the Board of Directors of LMR (the “Board”). The Audit Committee’s mandate is to assist the Board in fulfilling its financial reporting and control duties, overseeing the external auditor’s qualifications, independence and work, and supervising the Corporation’s internal controls over financial reporting and compliance with standards adopted by the Corporation. The Audit Committee is, however, independent of the Board and the Corporation and shall determine its own agenda and activities.

MEETINGS AND REPORTING

The Audit Committee shall report to the Board of Directors at least on a quarterly basis and as appropriate. The Audit Committee chairperson (the “Committee Chair”) will approve the agenda for the Audit Committee’s meetings and any member may suggest items for consideration. Briefing materials will be provided to the Audit Committee as far in advance of meetings as practicable.

COMPOSITION

The Audit Committee will be comprised of at least three directors of the Corporation, who are appointed by and serve at the discretion of the Board (and may be replaced). The Board may appoint a member to fill a vacancy that occurs in the Audit Committee between annual elections of directors. Any member of the Audit Committee may be removed from the Audit Committee by a resolution of the Board. Unless the Committee Chair is appointed by the Board, the members of the Audit Committee may designate a Committee Chair by a majority vote of the members of the Audit Committee.

The majority of the members of the Audit Committee, subject to any exemptions set out in Multilateral Instrument 52-110 *Audit Committees* (“MI 52-110”), will be independent and financially literate. An “independent” director is a director who has no direct or indirect material relationship with the Corporation. A “material relationship” is a relationship which could, in the view of the Board of Directors, be reasonably expected to interfere with the exercise of the director’s independent judgement or a relationship deemed to be a material relationship pursuant to Sections 1.4 and 1.5 of MI 52-110. A “financially literate” director is a director who has the ability to read and understand financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the financial statements of the Corporation.

The Audit Committee will provide its members with annual continuing education opportunities in financial reporting and other areas relevant to the Audit Committee.

RESPONSIBILITIES

Responsibilities of the Audit Committee include, but are not limited to, the undertaking of the following tasks:

1. Recommending to the Board the nomination of the external auditors for shareholders’ approval and the compensation of the external auditors for the purpose of preparing and issuing an auditor’s report or performing other audit, review or attest services for the Corporation. payment date in respect of which normal cash dividends are paid on Shares. Such dividend equivalents shall be in the amount a Participant would have received if the DSUs, PSUs or RSUs had been settled for Shares on the record date of such dividend. Dividend equivalents credited to a Participant's account shall be subject to the same terms and conditions, including vesting and time of settlement, as the DSUs, PSUs or RSUs, as applicable, to which they relate. Notwithstanding any other terms of this Plan, if the number of securities issued as dividend equivalents, together with all of the Corporation's other share-based compensation would exceed any of the limits set forth in this Plan or TSX Venture Exchange Policy 4.4, then the Corporation may make payment for such dividend in cash to the extent that it does not have a sufficient number of Shares available under this Plan to satisfy its obligations in respect of such dividends.

- (b) The foregoing does not obligate the Corporation to declare or pay dividends on Shares and nothing in this Plan shall be interpreted as creating such an obligation.

8.2 Blackout Period

In the event that an Award expires, at a time when an undisclosed material change or material fact in the affairs of the Corporation exists, subject to the requirements of TSX Venture Exchange Policy 4.4, the expiry of such Award will be extended to a date that is no later than ten (10) business days after the expiry of the blackout period formally imposed by the Corporation pursuant to its internal trading policies as a result of the undisclosed material change or material fact.

8.3 Withholding Taxes

- (a) Notwithstanding any other terms of this Plan, and subject to TSX Venture Exchange Policy 4.4, the granting, vesting or settlement of each Award under this Plan is subject to the condition that if at any time the Plan Administrator determines, in its discretion, that the satisfaction of withholding tax or other withholding liabilities is necessary or desirable in respect of such grant, vesting or settlement, such action is not effective unless such withholding has been effected to the satisfaction of the Plan Administrator. In such circumstances, the Plan Administrator may require that a Participant pay to the Corporation the minimum amount as the Corporation or an Affiliate of the Corporation is obliged to withhold or remit to the relevant taxing authority in respect of the granting, vesting or settlement of the Award. Any such additional payment is due no later than the date on which such amount with respect to the Award is required to be remitted to the relevant tax authority by the Corporation or an Affiliate of the Corporation, as the case may be. Alternatively, and subject to any requirements or limitations under applicable law, the Corporation may (a) withhold such amount from any remuneration or other amount payable by the Corporation or any Affiliate to the Participant, (b) require the sale of a number of Shares issued upon exercise, vesting, or settlement of such Award and the remittance to the Corporation of the net

proceeds from such sale sufficient to satisfy such amount, or (c) enter into any other suitable arrangements for the receipt of such amount.

- (b) If the Corporation does not withhold an amount or require payment of an amount by a Participant sufficient to satisfy all obligations referred to in 8.3(a) the Participant shall forthwith make reimbursement, on demand, in cash, of any amount paid by the Corporation to a governmental authority to satisfy any such obligation.

8.4 Recoupment

Notwithstanding any other terms of this Plan, Awards may be subject to potential cancellation, recoupment, rescission, payback or other action in accordance with the terms of any clawback, recoupment or similar policy adopted by the Corporation or the relevant subsidiary of the Corporation and in effect at the Date of Grant of the Award, or as set out in the Participant's employment agreement, Award Agreement or other written agreement, or as otherwise required by law or the rules of the Exchange. The Plan Administrator may at any time waive the application of this Section 8.4 to any Participant or category of Participants.

ARTICLE 9 TERMINATION OF EMPLOYMENT OR SERVICES

- (a) where a Participant's employment, consulting agreement or arrangement is terminated or the Participant ceases to hold office or his or her position, as applicable, by reason of voluntary resignation by the Participant or termination by the Corporation or a subsidiary of the Corporation for Cause, then any Option or other Award held by the Participant that has not been exercised as of the Termination Date shall be immediately forfeited and cancelled as of the Termination Date;
- (b) where a Participant's employment, consulting agreement or arrangement is terminated by the Corporation or a subsidiary of the Corporation without Cause (whether such termination occurs with or without any or adequate reasonable notice, or with or without any or adequate compensation in lieu of such reasonable notice) then a portion of any unvested Options or other Awards shall immediately vest, such portion to be equal to the number of unvested Options or other Awards held by the Participant as of the Termination Date multiplied by a fraction the numerator of which is the number of days between the Date of Grant and the Termination Date and the denominator of which is the number of days between the Date of Grant and the date any unvested Options or other Awards were originally scheduled to vest, which vested Options or other Awards may be exercised or surrendered to the Corporation by the Participant at any time during the period that terminates on the earlier of: (A) the Expiry Date of such Award; and (B) the date that is 90 days after the Termination Date or any other date determined by the Plan

Administrator. Any Option or other Award that remains unexercised or has not been surrendered to the Corporation by the Participant shall be immediately forfeited upon the termination of such period;

- (c) where a Participant becomes Disabled, then any Option held by the Participant that has not vested as of the date of the Disability of such Participant shall continue to vest in accordance with its terms and may be exercised or surrendered to the Corporation by the Participant at any time during the period that terminates on the earlier of: (A) the Expiry Date of such Award; and (B) the first anniversary of the Participant's date of Disability. Any Option that remains unexercised or has not been surrendered to the Corporation by the Participant shall be immediately forfeited upon the termination of such period;
- (d) where a Participant's employment, consulting agreement or arrangement is terminated by reason of the death of the Participant, then any Option or other Award held by the Participant that has not vested as of the date of the death of such Participant shall vest on such date and may be exercised or surrendered to the Corporation by the Participant at any time during the period that terminates on the earlier of: (A) the Expiry Date of such Award; and (B) the first anniversary of the date of the death of such Participant. Any Option or other Award that remains unexercised or has not been surrendered to the Corporation by the Participant shall be immediately forfeited upon the termination of such period;
- (e) where a Participant's employment, consulting agreement or arrangement is terminated due to Retirement, then any Option or other Award held by the Participant that has not vested as of the date of such Retirement shall continue to vest in accordance with its terms and may be exercised or surrendered to the Corporation by the Participant at any time during the period that terminates on the earlier of: (A) the Expiry Date of such Award; and (B) the first anniversary of the Participant's date of Retirement. Any Option or other Award that remains unexercised or has not been surrendered to the Corporation by the Participant shall be immediately forfeited upon the termination of such period. Notwithstanding the foregoing, if, following his or her Retirement, the Participant commences (the "**Commencement Date**") employment, consulting or acting as a director of the Corporation or any of its subsidiaries (or in an analogous capacity) or otherwise as a service provider to any Person that carries on or proposes to carry on a business competitive with the Corporation or any of its subsidiaries, any Option or other Award held by the Participant that has not been exercised as of the Commencement Date shall be immediately forfeited and cancelled as of the Commencement Date;
- (f) a Participant's eligibility to receive further grants of Options or other Awards under this Plan ceases as of:
 - (i) the date that the Corporation or a subsidiary of the Corporation, as the case may be, provides the Participant with written notification that the Participant's employment, consulting agreement or arrangement is

terminated, notwithstanding that such date may be prior to the Termination Date; or

(ii) the date of the death, Disability or Retirement of the Participant; and

(g) notwithstanding Subsection 9.1(b), unless the Plan Administrator, in its discretion, otherwise determines, at any time and from time to time, Options or other Awards are not affected by a change of employment or consulting agreement or arrangement, or directorship within or among the Corporation or a subsidiary of the Corporation for so long as the Participant continues to be a Director, Employee, Consultant, Investor Relations Service Provider, as applicable, of the Corporation or a subsidiary of the Corporation.

9.2 Discretion to Permit Acceleration

Notwithstanding the provisions of Section 9.1 but subject to compliance with the policies of the Exchange, the Plan Administrator may, in its discretion, at any time prior to, or following the events contemplated in such Section, or in an employment agreement, Award Agreement or other written agreement between the Corporation or a subsidiary of the Corporation and the Participant, permit the acceleration of vesting of any or all Awards or waive termination of any or all Awards, all in the manner and on the terms as may be authorized by the Plan Administrator. Notwithstanding the following, Options granted to Investor Relations Service Providers cannot be accelerated without the prior acceptance of the Exchange.

9.3 Participants' Entitlement

Except as otherwise provided in this Plan, Awards previously granted under this Plan are not affected by any change in the relationship between, or ownership of, the Corporation and an Affiliate of the Corporation. For greater certainty, all grants of Awards remain outstanding and are not affected by reason only that, at any time, an Affiliate of the Corporation ceases to be an Affiliate of the Corporation.

ARTICLE 10 EVENTS AFFECTING THE CORPORATION

10.1 General

The existence of any Awards does not affect in any way the right or power of the Corporation or its shareholders to make, authorize or determine any adjustment, recapitalization, reorganization or any other change in the Corporation's capital structure or its business, or any amalgamation, combination, arrangement, merger or consolidation involving the Corporation, to create or issue any bonds, debentures, Shares or other securities of the Corporation or to determine the rights and conditions attaching thereto, to effect the dissolution or liquidation of the Corporation or any sale or transfer of all or any part of its assets or business, or to effect any other corporate act or proceeding, whether of a similar character or otherwise, whether or not any such action referred to in this ARTICLE 10 would have an adverse effect on this Plan or on any Award granted hereunder.

10.2 Change in Control

Except as may be set forth in an employment agreement, Award Agreement or other written agreement between the Corporation or a subsidiary of the Corporation and the Participant:

- (a) Subject to the prior approval of the Exchange, where applicable, the Plan Administrator may, without the consent of any Participant, take such steps as it deems necessary or desirable, including to cause (i) the conversion or exchange of any outstanding Awards into or for, rights or other securities of substantially equivalent value, as determined by the Plan Administrator in its discretion, in any entity participating in or resulting from a Change in Control; (ii) outstanding Awards to vest and become exercisable, realizable, or payable, or restrictions applicable to an Award to lapse, in whole or in part prior to or upon consummation of such Change in Control, and, to the extent the Plan Administrator determines, terminate upon or immediately prior to the effectiveness of such Change in Control; provided that such Participant ceases to be an eligible Participant under this Plan upon such change of control; (iii) subject to prior acceptance by the Exchange, the termination of an Award in exchange for an amount of cash and/or property, if any, equal to the amount that would have been attained upon the exercise or settlement of such Award or realization of the Participant's rights as of the date of the occurrence of the transaction net of any exercise price payable by the Participant (and, for the avoidance of doubt, if as of the date of the occurrence of the transaction the Plan Administrator determines in good faith that no amount would have been attained upon the exercise or settlement of such Award or realization of the Participant's rights net of any exercise price payable by the Participant, then such Award may be terminated by the Corporation without payment); (iv) subject to prior acceptance by the Exchange, the replacement of such Award with other rights or property selected by the Board in its sole discretion; or (v) subject to prior acceptance by the Exchange, any combination of the foregoing. In taking any of the actions permitted under this Subsection 10.2(a), the Plan Administrator will not be required to treat all Awards similarly in the transaction. Notwithstanding the foregoing, in the case of Options held by a Canadian Taxpayer, the Plan Administrator may not cause the Canadian Taxpayer to receive (pursuant to this Subsection 10.2(a)) any property in connection with a Change of Control other than rights to acquire shares of a corporation or units of a "mutual fund trust" (as defined in the Tax Act), of the Corporation or a "qualifying person" (as defined in the Tax Act) that does not deal at arm's length (for purposes of the Tax Act) with the Corporation, as applicable, at the time such rights are issued or granted. Notwithstanding the foregoing, in the case of DSUs held by a Canadian Taxpayer, the Plan Administrator may not (pursuant to this Subsection 11.2(a)) redeem any such DSUs in connection with a Change of Control.
- (b) Notwithstanding Subsection 10.2(a), and unless otherwise determined by the Plan Administrator, if, as a result of a Change in Control, the Shares will cease trading on an Exchange, then the Corporation may terminate all of the Awards granted under this Plan (other than Options held by Canadian Taxpayers) at the time of and subject to the completion of the Change in Control transaction by paying to each

holder at or within a reasonable period of time following completion of such Change in Control transaction an amount for each Award equal to the fair market value of the Award held by such Participant as determined by the Plan Administrator, acting reasonably, or in the case of Options held by a Canadian Taxpayer by permitting the Canadian Taxpayer to surrender such Options to the Corporation for an amount for each such Option equal to the fair market value of such Option as determined by the Plan Administrator, acting reasonably, upon the completion of the Change in Control (following which such Options may be cancelled for no consideration).

- (c) Any actions taken under this Section 10.2 will comply with the policies of the Exchange including, without limitation, the requirement that the acceleration of vesting of Options granted to Investor Relations Service Provider shall only occur with the prior written approval of the Exchange.

10.3 Reorganization of Corporation's Capital

Subject to the prior approval of the Exchange, if applicable, should the Corporation effect a subdivision or consolidation of Shares or any similar capital reorganization or a payment of a stock dividend (other than a stock dividend that is in lieu of a cash dividend), or should any other change be made in the capitalization of the Corporation that does not constitute a Change in Control and that would warrant the amendment or replacement of any existing Awards in order to adjust the number of Shares that may be acquired on the vesting of outstanding Awards and/or the terms of any Award in order to preserve proportionately the rights and obligations of the Participants holding such Awards, then the Plan Administrator in consultation with the Board will take such steps as are required to preserve the proportionality of the rights and obligations of the Participants holding such Awards as it deems equitable and appropriate.

10.4 Other Events Affecting the Corporation

In the event of an amalgamation, combination, arrangement, merger or other transaction or reorganization involving the Corporation and occurring by exchange of Shares, by sale or lease of assets or otherwise, that does not constitute a Change in Control and that warrants the amendment or replacement of any existing Awards in order to adjust the number of Shares that may be acquired on the vesting of outstanding Awards and/or the terms of any Award in order to preserve proportionately the rights and obligations of the Participants holding such Awards, the Plan Administrator will, subject to the prior approval of the Exchange (if required), authorize such steps to be taken as it may consider to be equitable and appropriate to that end.

10.5 Immediate Acceleration of Awards

In taking any of the steps provided in Sections 10.3 and 10.4, the Plan Administrator will not be required to treat all Awards similarly and where the Plan Administrator determines that the steps provided in Sections 10.3 and 10.4 would not preserve proportionately the rights, value and obligations of the Participants holding such Awards in the circumstances or otherwise determines that it is appropriate, the Plan Administrator may, but is not required, to permit the immediate

vesting of any unvested Awards other than any Options granted to an Investor Relations Service Provider.

10.6 Issue by Corporation of Additional Shares

Except as expressly provided in this Article 11, neither the issue by the Corporation of shares of any class or securities convertible into or exchangeable for shares of any class, nor the conversion or exchange of such shares or securities, affects, and no adjustment by reason thereof is to be made with respect to the number of Shares that may be acquired as a result of a grant of Awards or other entitlements of the Participants under such Awards.

10.7 Fractions

No fractional Shares will be issued pursuant to an Award. Accordingly, (whether as a result of any adjustment under this ARTICLE 10, a dividend equivalent or otherwise), a Participant would become entitled to a fractional Share, the Participant has the right to acquire only the adjusted number of full Shares and no payment or other adjustment will be made with respect to the fractional Shares, which shall be disregarded.

ARTICLE 11 AMENDMENT, SUSPENSION OR TERMINATION OF THE PLAN

11.1 Amendment, Suspension, or Termination of the Plan

The Plan Administrator may from time to time, without notice and without approval of the holders of voting shares of the Corporation, amend, modify, change, suspend or terminate the Plan or any Awards granted pursuant to the Plan as it, in its discretion, determines appropriate, provided, however, that:

- (a) no such amendment, modification, change, suspension or termination of the Plan or any Awards granted hereunder may materially impair any rights of a Participant or materially increase any obligations of a Participant under the Plan without the consent of the Participant, unless the Plan Administrator determines such adjustment is required or desirable in order to comply with any applicable Securities Laws or Exchange requirements; and
- (b) any amendments to the Plan or to any Awards granted pursuant to the Plan are subject to Exchange approval (including such amendments that do not otherwise trigger approval of the holders of voting shares of the Corporation).

11.2 Shareholder Approval

This Plan is subject to Disinterested Shareholders Approval and the approval of the Exchange. Any renewals of this Plan is subject to Disinterested Shareholders Approval and the approval of the Exchange. Any Options granted under this Plan prior to receipt of Disinterested Shareholders Approval will not be exercisable or binding on the Corporation unless and until such approvals are obtained. DSUs, PSUs and RSUs cannot be granted under this Plan prior to receipt of Disinterested Shareholders Approval.

Notwithstanding Section 11.1 and subject to any rules of the Exchange or/and any applicable regulatory authority, a Disinterested Shareholders Approval shall be required for any amendment, modification or change that:

- (a) increases the percentage of Shares reserved for issuance under the Plan, except pursuant to the provisions in the Plan which permit the Plan Administrator to make equitable adjustments in the event of transactions affecting the Corporation or its capital;
- (b) increases or removes the limitations set out in Sections 3.6 and 3.7;
- (c) allows for the grant to Insiders (as a group), within a twelve (12) month period, an aggregate number of Awards exceeding ten (10%) percent of the Corporation's issued Shares, calculated at the date the Award is granted to the Insider;
- (d) allows for the grant to any one Participant, within a twelve (12) month period, an aggregate number of Awards exceeding five (5%) percent of the Corporation's issued Shares, calculated at the date the Award is granted to the Insider;
- (e) reduces the exercise price of an Award to an Insider (for this purpose, a cancellation or termination of an Award of a Participant prior to its Expiry Date for the purpose of reissuing an Award to the same Participant with a lower exercise price shall be treated as an amendment to reduce the exercise price of an Award) except pursuant to the provisions in the Plan which permit the Plan Administrator to make equitable adjustments in the event of transactions affecting the Corporation or its capital;
- (f) extends the term of an Award beyond the original Expiry Date (except where an Expiry Date would have fallen within a blackout period applicable to the Participant or within five (5) business days following the expiry of such a blackout period);
- (g) increases or removes the limits on the participation of Directors;
- (h) permits Awards to be transferred to a Person; or
- (i) changes the eligible participants of the Plan.

11.3 Permitted Amendments

Without limiting the generality of Section 11.1, but subject to Section 11.2 and any rules of the Exchange, the Plan Administrator may, without Disinterested Shareholders Approval, at any time or from time to time, amend the Plan for the purposes of:

- (a) making any amendments to the general vesting provisions of each Award;
- (b) making any amendments to the provisions set out in ARTICLE 9;
- (c) making any amendments to add covenants of the Corporation for the protection of Participants, as the case may be, provided that the Plan Administrator shall be of

the good faith opinion that such additions will not be prejudicial to the rights or interests of the Participants, as the case may be;

- (d) making any amendments not inconsistent with the Plan as may be necessary or desirable with respect to matters or questions which, in the good faith opinion of the Plan Administrator, having in mind the best interests of the Participants, it may be expedient to make, including amendments that are desirable as a result of changes in law in any jurisdiction where a Participant resides, provided that the Plan Administrator shall be of the opinion that such amendments and modifications will not be prejudicial to the interests of the Participants and Directors; or
- (e) making such changes or corrections which, on the advice of counsel to the Corporation, are required for the purpose of curing or correcting any ambiguity or defect or inconsistent provision or clerical omission or mistake or manifest error, provided that the Plan Administrator shall be of the opinion that such changes or corrections will not be prejudicial to the rights and interests of the Participants.

ARTICLE 12 MISCELLANEOUS

12.1 Legal Requirement

The Corporation is not obligated to grant any Awards, issue any Shares or other securities, make any payments or take any other action if, in the opinion of the Plan Administrator, in its discretion, such action would constitute a violation by a Participant or the Corporation of any provision of any applicable statutory or regulatory enactment of any government or government agency or the requirements of any Exchange upon which the Shares may then be listed.

12.2 News Release

Every Awards granted or issued to a Director, an Officer, or an Investor Relations Service Provider, and any amendment to such Award, must be disclosed to the public by way of a news release on the day the Awards are granted, issue or amended.

12.3 No Other Benefit

No amount will be paid to, or in respect of, a Participant under the Plan to compensate for a downward fluctuation in the price of a Share, nor will any other form of benefit be conferred upon, or in respect of, a Participant for such purpose.

12.4 Rights of Participant

No Participant has any claim or right to be granted an Award and the granting of any Award is not to be construed as giving a Participant a right to remain as an Employee, Consultant, Investor Relations Service Provider or Director. No Participant has any rights as a shareholder of the Corporation in respect of Shares issuable pursuant to any Award until the allotment and issuance to such Participant, or as such Participant may direct, of certificates representing such Shares.

12.5 Corporate Action

Nothing contained in this Plan or in an Award shall be construed so as to prevent the Corporation from taking corporate action which is deemed by the Corporation to be appropriate or in its best interest, whether or not such action would have an adverse effect on this Plan or any Award.

12.6 Conflict

In the event of any conflict between the provisions of this Plan and an Award Agreement, the provisions of the Plan shall govern. In the event of any conflict between or among the provisions of this Plan or any Award Agreement, on the one hand, and a Participant's employment agreement with the Corporation or a subsidiary of the Corporation, as the case may be, on the other hand, the provisions of the Plan shall prevail.

12.7 Anti-Hedging Policy

By accepting the Option or Award each Participant acknowledges that he or she is restricted from purchasing financial instruments such as prepaid variable forward contracts, equity swaps, collars, or units of exchange funds that are designed to hedge or offset a decrease in market value of Options or Awards.

12.8 Participant Information

Each Participant shall provide the Corporation with all information (including personal information) required by the Corporation in order to administer the Plan (including as to whether the circumstances described in Section 9.1(e) exist). Each Participant acknowledges that information required by the Corporation in order to administer the Plan may be disclosed to any custodian appointed in respect of the Plan and other third parties, and may be disclosed to such persons (including persons located in jurisdictions other than the Participant's jurisdiction of residence), in connection with the administration of the Plan. Each Participant consents to such disclosure and authorizes the Corporation to make such disclosure on the Participant's behalf.

12.9 Participation in the Plan

- (a) The participation of any Participant in the Plan is entirely voluntary and not obligatory and shall not be interpreted as conferring upon such Participant any rights or privileges other than those rights and privileges expressly provided in the Plan. In particular, participation in the Plan does not constitute a condition of employment or engagement nor a commitment on the part of the Corporation to ensure the continued employment or engagement of such Participant. The Plan does not provide any guarantee against any loss which may result from fluctuations in the market value of the Shares. The Corporation does not assume responsibility for the income or other tax consequences for the Participants and Directors and they are advised to consult with their own tax advisors.
- (b) The granting of Awards and the issuance of Shares under this Plan shall be subject to all applicable laws, rules, and regulations, and to such approvals by any governmental agencies or stock exchanges on which the Corporation is listed as

may be required. The Corporation shall have no obligation to issue or deliver evidence of title for Shares issued under this Plan prior to:

- (i) obtaining any approvals from governmental agencies that the Corporation determines are necessary or advisable; and
 - (ii) completion of any registration or other qualification of the Shares under any applicable national or foreign law or ruling of any governmental body that the Corporation determines to be necessary or advisable or at a time when any such registration or qualification is not current, has been suspended or otherwise has ceased to be effective.
- (c) The inability or impracticability of the Corporation to obtain or maintain authority from any regulatory body having jurisdiction, which authority is deemed by the Corporation's counsel to be necessary to the lawful issuance and sale of any Shares hereunder shall relieve the Corporation of any liability in respect of the failure to issue or sell such Shares as to which such requisite authority shall not have been obtained.

12.10 International Participants

Subject to compliance with the policies of the Exchange, with respect to Participants who reside or work outside Canada, the Plan Administrator may, in its discretion, amend, or otherwise modify, without shareholder approval, the terms of the Plan or Awards with respect to such Participants in order to conform such terms with the provisions of local law, and the Plan Administrator may, where appropriate, establish one or more sub-plans to reflect such amended or otherwise modified provisions.

12.11 No Limit on Other Security-Based Compensations Arrangements

- (a) Nothing contained in this Plan shall prevent the Corporation from adopting or continuing in effect other security-based compensation arrangements, and such arrangements may be either generally applicable or applicable only in specific cases.
- (b) Subject to prior acceptance of the Exchange, the Plan Administrator may, from time to time, subject to the provisions of this Plan and such other terms and conditions as the Plan Administrator may prescribe, grant other security-based compensation arrangements to any Participant; provided, however, that such right will comply with applicable law. Subject to prior acceptance of the Exchange, the terms of this Plan, and any applicable Award Agreement, the Plan Administrator will determine the terms and conditions of other security-based compensation arrangements. Shares or other securities delivered pursuant to a purchase right granted under this Article 12.14 will be purchased for such consideration, which may be paid by such method or methods and in such form or forms, including, without limitation, cash, Shares, other securities, other Awards, other property, or any combination thereof, as the Plan Administrator shall determine in its discretion.

12.12 No Representations or Warranties

The Corporation makes no representation or warranty as to the value of any Award granted pursuant to this Plan or as to the future value of any Shares issued pursuant to any Award.

12.13 Successors and Assigns

The Plan shall be binding on all successors and assigns of the Corporation and its subsidiaries.

12.14 General Restrictions on Assignment

Except as required by law, the rights of a Participant under the Plan are not capable of being assigned, transferred, alienated, sold, encumbered, pledged, mortgaged or charged and are not capable of being subject to attachment or legal process for the payment of any debts or obligations of the Participant unless otherwise approved by the Plan Administrator.

12.15 Severability

The invalidity or unenforceability of any provision of the Plan shall not affect the validity or enforceability of any other provision and any invalid or unenforceable provision shall be severed from the Plan.
